

5 yr. B.S. / M.S. Course Designation Form

Student Name: _____

Student ID#: _____

Undergraduate Degree Department: _____

Student PID: _____

List the courses which you intend to double-count toward both your undergraduate (B.S.) and graduate degrees (M.S.). These are typically 5-thousand level courses offered for graduate credit only, or 4-thousand level classes which are also offered for graduate credit. You are only able to double-count up to 12 hours of coursework.

This form must accompany your application to the SBES program for the 5 yr. BS / MS degree. You will be considered an SBES Master's level student when you complete your undergraduate degree in the home department.

- 1. _____
- 2. _____
- 3. _____
- 4. _____

The above designated courses can be used toward both the undergraduate degree in _____ and the M.S. degree in Biomedical Engineering and Sciences.
